

Gentle Handling, Strong Protection

The Hydrometer Rack accommodates up to 10 hydrometers with diameters up to 31 mm, ensuring safe storage, efficient drying, and secure transport

Secure Organization

- Teardrop-Shaped Slots hold hydrometers securely in place, support a range of diameters, and ensure easy insertion and removal for convenient handling
- 3-Tier Setup provides enhanced stability and protection of hydrometer body

Clean & Convenient

- Built-In Handles provide a secure grip for safe and convenient transport
- Removable Drip Tray simplifies cleaning and maintenance, improving sanitation and protecting your workspace

Robust Design

- Stable Wide Base ensures increased stability and secure placement for hydrometers
- Durable Polypropylene Construction is easy to clean, long-lasting, and fully recyclable

 Plastic Free Packaging
